HUMAN RESOURCE DEVELOPMENT CORPORATION

EDITOR'S NOTE

Warmest greetings and best wishes to the readers, colleagues, clients and stakeholders. In this edition, the IndSF Unit will focus on three sectors for 2022: Textile Apparel & Manufacturing, Food & Beverages (Food Manufacturing) and Agriculture (Oil Palm Plantation). We have been working with several collaborators from industries to finalise the proposals for developing the respective IndSF documents.

Together with the cooperation of collaborators, we believe that this document will positively impact the development of human capital and help boost the local workforce. With their support, we hope to continue our effective and successful cooperation in the future.

Download Statistics on Published IndSF

Total Downloads

IndSF documents are readily available on the HRD Corp website (<https://hrdcorp.gov.my/indsf/>). The IndSF Unit has been keeping track of the number of downloads, and there has been a steady increase from previous months for each of the published industry documents. The IndSF Unit is looking towards engaging with and promoting the document to the public to create awareness of the documents' importance, which is valuable to Malaysia's human capital development. We will also continue to work with industries to develop more IndSF documents in the coming year.

We would like to wish women around the world and everyone celebrating a Happy Chinese New Year, and please continue your support for our newsletters this year. Thank you!
