

INDUSTRIAL SKILLS FRAMEWORK (IndSF) NEWSLETTER

APRIL 2022 | VOLUME 19

Editor's Note

The IndSF team is very committed in promoting, developing and updating the Industrial Skills Framework for our stakeholders to support the nation's human capital development. In April, we conducted a number of engagement sessions with our external stakeholders, as the team is currently preparing to enter one of the most crucial parts of the IndSF development; the workshop session with Subject Matter Experts. The assistance from industry players has greatly helped the IndSF team to progress in the IndSF development process and other tasks. Without further ado, let's check out the activities we conducted throughout the month of April!

The IndSF documents are readily available on the HRD Corp website (<https://hrdcorp.gov.my/indsf/>). The IndSF Unit has been keeping track of the number of downloads, and there has been a steady increase from previous months for each of the published industry documents. The IndSF Unit is looking towards engaging with and promoting the documents to the public to create awareness of the documents' importance, which is valuable to Malaysia's human capital development. We will also continue to work with industries to develop more IndSF documents in the coming year.
