“ Editor's Note

Greetings to all our valued readers,

We are thrilled to bring you the latest edition of the Industrial Skills Framework Unit newsletter! As always, we strive to provide you with insightful updates, relevant industry information, and updates on the current activities and progress of our unit.

In this edition, we delve into the ever-evolving landscape of industrial skills and how they are shaping the workforce of tomorrow. Our team has diligently researched and curated content that highlights the progress of both our Sectorial Training Committee and the frameworks that we are working on.

We are pleased to share our May activities for IndSF development and enhancement in this newsletter. Sit back, relax and enjoy the read.

Development of IndSF 2023

IndSF Wood-Based Products

Thanks to our collaboration with the Malaysian Wood Industries Association (MWIA), we have successfully identified 10 job positions for the focus area of production. Our collaborators are now in the midst of identifying potential SMEs for the project.

IndSF Telecommunications

On the 17th of May 2023, our team had an online meeting with our collaborator to discuss the focus areas to be explored for IndSF Telecommunications. In the end, it is decided that the focus area will be infrastructure, operations and support.

SECTORIAL TRAINING COMMITTEE

SECTORIAL TRAINING STEERING COMMITTEE (STSC)

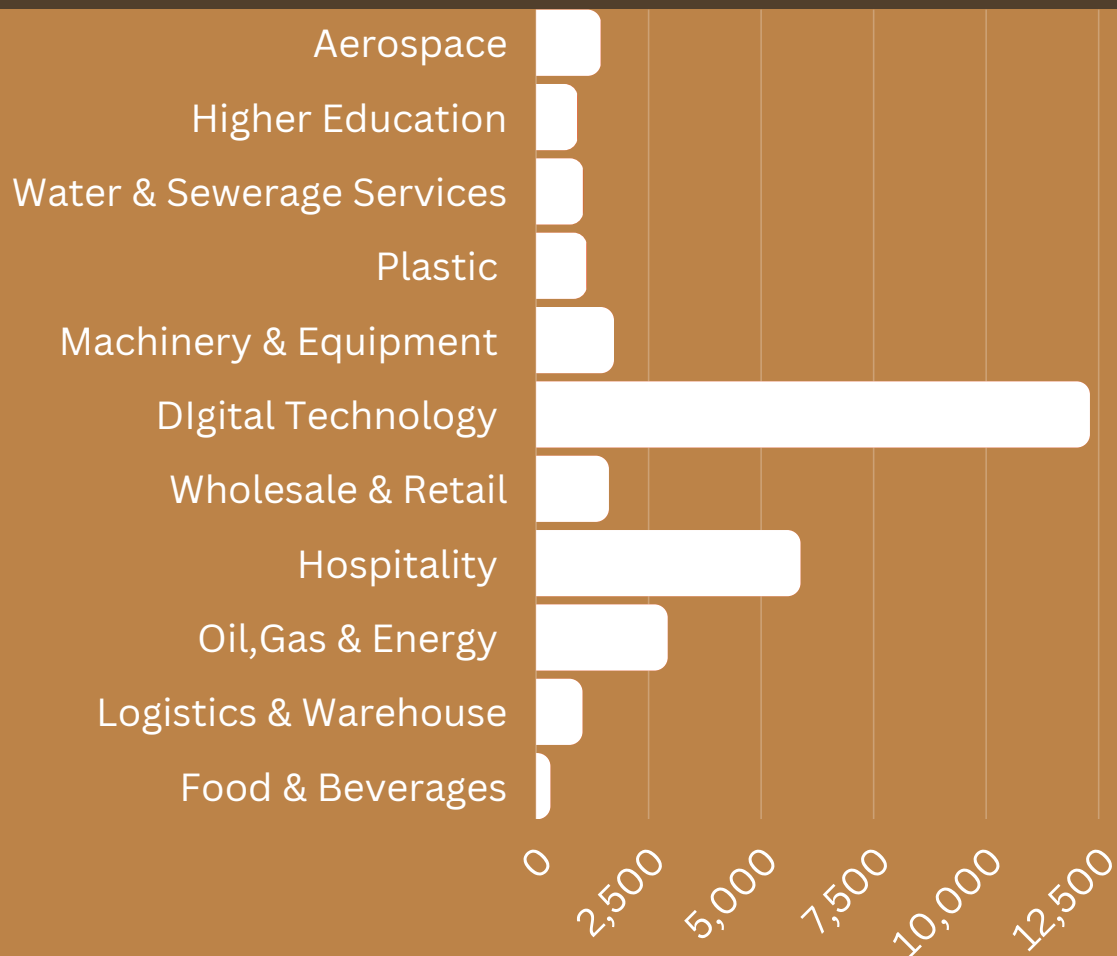

On the 16th of May 2023, an insightful and productive engagement session took place between the Sectorial Training Steering Committee (STSC) and the Chief Executive of HRD Corp at the esteemed Royale Chulan Damansara in Kuala Lumpur.

The session served as a crucial platform for stakeholders from various industries to come together and discuss the latest developments in the field of sector-specific training. Led by the Chief Executive of HRD Corp, the event focused on fostering collaborations and addressing the ever-evolving needs of the workforce in Malaysia.

The STSC shared valuable insights from their respective domains, shedding light on the practical aspects of training and upskilling programs. These inputs served as invaluable feedback for HRD Corp to help finetune initiatives in order to cater to the needs of each sector.
